HOW THEY KNOW YOU KNOW

The MapScenes Certified Instructor Certification is for individuals who are, or aspire to be teachers on the world's leading crime and crash reconstruction productivity suite — MapScenes Systems. As a MapScenes Certified Instructor you will be recognized for your skill and hands-on ability with MapScenes and Evidence Recorder. Once certified, you will be eligible to purchase MapScenes Certified Training Standard manuals for training your own agency, or for your own classes. You can also be contracted by MapScenes to teach across the US.

Registration includes Instructor and Student course materials and Instructor's copy of the software. June 1-3 offers practical evaluation and classroom instruction. The fourth day is optional attendance to the crash tests at the Las Vegas Motor Speedway on June 4th presented by ARC-CSI. Bus transportation and lunch at the track are included.

Students who are interested in attending the entire ARC-CSI Crash Conference June 4th –7th will receive a \$50 discount from the conference fees. ARC-CSI Crash Conference information can be found at www.crashconferences.com.

Registration by April 30th \$795 US
After April 30th \$945 US
